[14:23] <bobbi_ling> shout out to bobbi fett for being you
[14:23] <chairmancaleb> I really don't think the prequels were THAT bad. They obviously didn't match the original trilogy, but they weren't some terrible thing at the same time. I've watched them all with a clear mind as an adult and I think a lot of it is just extreme over reaction.
[14:23] <jannedaarc135> georgetdawson is the real mvp
[14:23] <0megaj0ker> #RexIsBestClone
[14:23] <lbuttondash> episode 3 was good

[14:24] <lbuttondash> @HiDieBye1 at least he doesn't eat shit like you
[14:24] <chaosalltheway> LotR 3rd movie was the best one too
[14:24] <jannedaarc135> i think empire strikes back is pretty much everyone's favorite
[14:24] <breath321> @HiDieBye1 to improve you have to actually identify what your faults are, phil just plays a lot and doesn't think too hard about it, nothing wrong with that
[14:24] <nubcakefactory> Hey Phil what's the update on the tax situation
[14:24] <quinn800> i think the first three are over rated the first movie is droids walking through the desert for half the movie
[14:24] <bethemadeagle> bobbi but my fave is empire though
[14:24] <deepdrive3254> empire is almost everyone's favorite
[14:24] <bobbi_ling> episode 3 is actually the worst
[14:24] <jannedaarc135> but i also enjoyed RotJ
[14:24] <hidiebye1> @lButtonDash i earn 3x more moeny than this bug
[14:25] <bobbi_ling> aka 6
[14:25] <lbuttondash> lol
[14:25] <bethemadeagle> return of jedi is my second fave

[14:25] <bobbi_ling> new hope was good it introduced you to the universe
[14:25] <quinn800> @BetheMadEagle its pretty bad
[14:26] <lbuttondash> money doesn't mean everything u could make 6 figures and be broke

[14:26] <quinn800> @Bobbi_Ling the new looks like it will be a favorite
